

SITE STEWARD

FOUNDATION, INC.

JOIN US! The Site Steward Foundation, Inc. was formed in 2008 to generate and manage resources to support the efforts of site stewards in the states of New Mexico, Colorado, Utah and Arizona. Site stewards volunteer to help preserve, monitor, research and provide education about archaeological, historical and cultural resources throughout the four states.

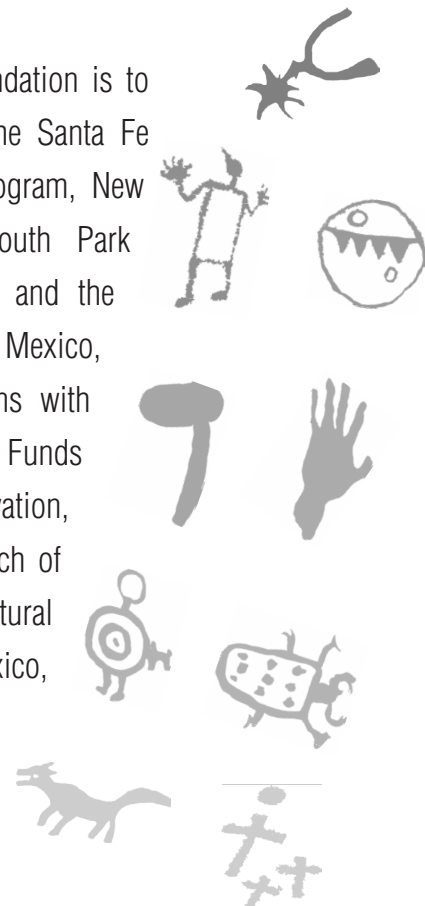

Who We Are

As a 501(c)(3) nonprofit organization, the Foundation is eligible for government and private foundation grants as well as tax deductible business and individual contributions. Member hours spent volunteering as a site steward can be used to receive matching grants.

What We Do

The primary mission of the Foundation is to support organizations such as the Santa Fe National Forest Site Steward Program, New Mexico SiteWatch Program, South Park Colorado Site Steward Program and the Archaeological Society of New Mexico, in addition to other organizations with similar purposes and objectives. Funds will be used to support the preservation, monitoring, education and research of archaeological, historical and cultural resources in the states of New Mexico, Colorado, Utah and Arizona.
